MEMORANDUM FOR: Assistant Secretary of Defense (C<sup>3</sup>I)

FROM: R. E. Hineman  
Deputy Director for Science and Technology

SUBJECT: CIA Representative to C<sup>3</sup>I Review Council

1. For the past three years the Director of Development and Engineering (OD&E)/Directorate of Science and Technology has been the CIA representative on the C<sup>3</sup> Review Council. OD&E's involvement on this council was originally based upon [redacted]

To

25X1

[redacted]  
a large extent, these issues have been resolved.

2. At this juncture, it appears the council's deliberations, as they pertain to CIA, primarily involve technical and programmatic areas under the purview of CIA's Director of Communications in the Directorate of Administration. Therefore, I believe it would be most appropriate to reassign responsibility for Agency representation on the C<sup>3</sup> Review Council to the Director of Communications.

3. The Director of Communications agrees with this proposal, and the Deputy Director for Administration also supports this change. Please let me know your feelings on this matter and how I can assist in ensuring a smooth and timely transition.
